NMP GOLF CONSTRUCTION CORP. ACQUIRES XGD SYSTEMS, STRENGTHENING GOLF COURSE RENOVATION AND DRAINAGE SOLUTIONS ACROSS NORTH AMERICA

March 12, 2025 - Williston, VT - NMP Golf Construction Corp., a leading company specializing in the construction and renovation of golf courses, including advanced drainage and irrigation solutions, proudly announces the acquisition of XGD Systems, a pioneer in precision golf course drainage and restoration.

This strategic acquisition marks an exciting development for both organizations, creating new opportunities to pool collective talents, expertise, and resources. While this partnership represents a significant step forward, both NMP Golf Construction Corp. and XGD Systems will continue to operate as separate entities, maintaining their current operations, brand identities, and commitments to their valued clients.

Importantly, Mr. Geoff Corlett will continue to serve as CEO of XGD Systems, ensuring continuity in leadership, the ongoing success of the company's projects and client relationships, and a smooth transition as both organizations move forward together.

"I have always respected NMP Golf for their quality of work and their likeminded business acumen. To move our companies forward, by working together, we will create a legacy of outstanding craftsmanship for our industry," said Geoff Corlett, CEO of XGD Systems.

This acquisition represents an incredible opportunity for both businesses to combine their strengths to create an even greater impact in the golf course construction industry across North America.

"We are excited to welcome XGD Systems into our family. By joining forces, we can leverage our combined strengths to deliver even greater value to our clients while upholding the exceptional standards of quality and service that both companies are known for," said Simon Poirier, President of NMP Golf Construction Corp.

Both companies are committed to providing continued excellence to their customers as they join forces furthering their bespoke approach to golf course restorations services. They are a 'one stop shop' for all your restoration needs, large to small, with fully customized solutions.
